

Organizational Behavior: An Experiential Approach, 1995, David A. Kolb, Joyce Osland, Joyce S. Osland, Irwin M. Rubin, 0131827596, 9780131827592, Prentice-Hall International, 1995

This text conveys the concepts of organizational behaviour through experiential learning, using carefully developed group exercises and simulations that have been proven over a period of twenty years. It is designed for professors who wish to create an effective, enjoyable learning experience for students. This sixth edition represents a major revision of content. It focuses on the two goals of the experiential learning process - to learn the specifics of a particular subject matter and to learn about one's own strengths and weaknesses through experience.
